Purpose of the Program

UNDERSTANDING US

We are living in an era madly driven by competition, clarity, and creativity. We are presenting **ELEVATE9 - Comprehensive Educational Ecosystem (CEES)** - a Comprehensive Future-Ready Educational Ecosystem

At Sarada, with our CEES, we are committed to overall perpetual and holistic development of a typical Indian student with varied skills and experiences. CEES is a visionary framework perfectly and congruously aligned and designed to cater to and empower our students from the ground up till they touch the peak exploring newer horizons in varied fields.

Our material prepares them not only for competitive examinations like IIT-JEE , NEET & UPSC but also for language fluency (English), conceptual clarity and lifelong learning.

UNDERSTANDING US

Our Program is a research-born and scientifically designed methodology that integrates :

1. Mathematics: Foundation for all Major and Minor Academic examinations like IIT - JEE, GRE, GMAT...
 2. Physics Precision: Conceptual learning with real-world relevance, experiment-based, insights, project ideas, tips, Research Corner, Latest developments - related information.
 3. Chemistry Clarity: Conceptual material, research corner, project ideas, recent advancements, visual learning, reaction mapping, application-based hands-on for high knowledge.
 4. Biology Base for NEET: A Comprehensive Foundation level curriculum - Rich with quality diagrams, flowcharts, research corner, recent research developments, experiments - flowcharts.
 5. Social Sciences for UPSC: Steps 1-5 approach towards UPSC. The first phase before going for the second phase of the next 5 levels - Exposure to UPSC Corner, Integrated concepts, Examinations, Modules, Civic Sense...
 6. English Grammar for Competitive Exams and Soft Skills and Life Skills: Composition, writing formulae, techniques to learn editing tasks. Classwise soft skills and Lifeskills.
 7. LSRW Skills Development: LSRW - Practice tests - Rubrics-exercises - Key - Tips
 8. Critical Thinking and Creativity Lab Exercises: Critical Thinking creativity - workshops, quizzes, puzzles, Logical, analytical, and critical exercises for 360-degree development.
 9. Integrated Assessment and Mentoring: Assessment, Exams, Tests, Diagnostics, progress tracking, mentoring.
-

WHY CEES?

Classroom learning

CEES

Competitive preparation.

Schools are busy and comprehensively effective on mandatory curriculum completion. We help Schools, Students and Parents elevate student's potential through well structured academic empowerment.

Value Proposition

- Grade-wise Modules laden with national standards content that help face competitive exams / academic tests.
- Teacher-friendly and well-customized lesson plans, training guides, manuals, and solution handbooks.

WE DON'T JUST DELIVER BOOKS

WE DELIVER A MOVEMENT

WE DON'T JUST MAKE CONTENT

WE UNLEASH THE POWER WITHIN

Value Proposition

- Student focussed activity banks, Question banks, concept boosters, and exam readiness tracker/planner / check-list
- Language skill Integration - Academic writing in exams, research articles, creative writing and expression.

SARADA'S CSAP- UPSC FOUNDATION PROGRAM

(SARADA'S **C**IVIL **S**ERVICES **A**SPIRANT **P**ROGRAM)

GOVERNANCE

BUILDING INDIA'S FUTURE - POLICYMAKERS, THINKERS, CIVIL SERVANTS

WHEN?

Why wait till college to start UPSC preparation?
Start Today !
Start now !

WHAT?

CSAP Integrates NCERT Based Learning for 6-10 grades - The golden phase of cognitive development

WHY?

Hand-in-hand in your journey from Ancient civilisation -----> Modern Governance.

HOW?

A well curated road-map with insights , real world examples, UPSC styles themes and questions. Age-grade appropriate content

RESEARCH ORIENTED MATERIAL (ROM)

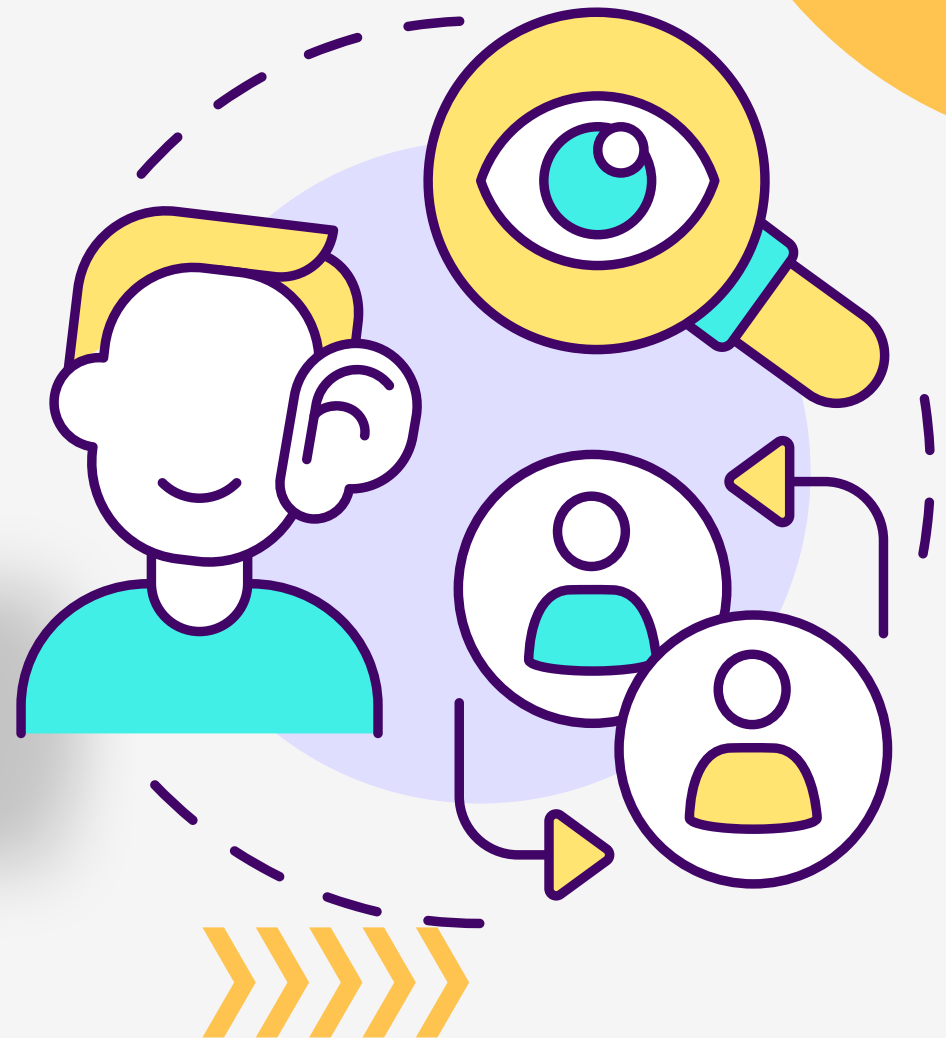

FROM ROTE TO RESEARCH – SCIENCE THAT INSPIRES ENQUIRY

WHAT?

- Transforms classrooms into Hub of Innovation
- Transforms knowledge into Wisdom
- Transforms Rote Learning into Research Tint
- Transforms Thinker into Researcher

HOW?

- Research Design of existing curriculum
- Integrated into Project Ideas that are Interdisciplinary
- Critical/Analytical Thinking Activity, HOTS, Case Studies
- Illustration of high-quality flow charts, crosswords, models.
- How-to-Read Research Paper Content
- Simplified concepts to suit school level students.

LANGUAGE ARTS

ADVANCED ENGLISH PROGRAM

SARADA WELCOMES YOU TO A LANGUAGE REVOLUTION

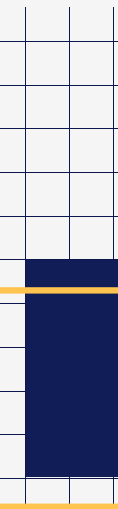

Key Benefits

- Meticulously designed AEP - Blends Grammar+Writing+Communication
- Articulate with confidence
- Write with clarity
- Listen with Accuracy
- Read with Depth
- Concept-Wise Grammar explained with real-life usage, examples, exercises key and explanation
- LSRW- The heart of NEP -2020 Language Education

Impact on Schools / Students

- AEP is suitable for Olympiads and vocabulary-building guides.
- Real-world communication, MCQs, Blogs, Poetry, Novels, Dialogue writing

STUDENT-TEACHER COUNSELLING (STC)

Empathy Enhances Empowerment

FACULTY DEVELOPMENT PROGRAM (FDP)

ELEVATE INSTITUTIONS

ENRICH CLASSROOMS

EMPOWER EDUCATORS

OUR USP's

- Training Modules to Deliver our course content.
- Blending teaching, Hands-on, and Research.
- Certificates, Appreciation, feedback, Research Paper Publication Opportunity
- Boost Teacher Morale and Reduce Professional Stagnation
- Improving Teaching Dynamics

Schools / Teachers Get

- Badges
- Kit
- Participation / Appreciation Certificates
- Hand out of presentation, if needed
- Post-FDP Follow-up consultation

Teaching is not delivering content

but

It is designing experiences

SCIENCE EXPERIMENT KITS (SEK) & LAB VISITS

Concept to Curiosity

Touch, See, and Do

Sarada Firmly Believes that Sciences are not LEARNT...They're EXPERIENCED

SEK is a Game-changer concept because:

- Concept clarity through concrete projects
- Skill boosting and upgradation
- Latest Scientific Research Insights
- Visual/ Practical Learning over Rote Learning
- Competitive edge over being Rankholic
- Worksheets for Recording Experiments
- DIY Project Ideas

**Do Science - Remember
it for Life**

LAB VISITS

- Organized based on mutual convenience
- Pre-arranged visits through Sarada Publications Partner Network.
- Exposure to scientists, contemporary research work

SJIS-SARADA JOURNAL OF INTERDISCIPLINARY STUDIES

SJIS Leads students from classroom to Journals.
Helps voices of students & teachers Echo beyond blackboard.

An Exploring Mind Deserves To Be Published.

Why Publish?

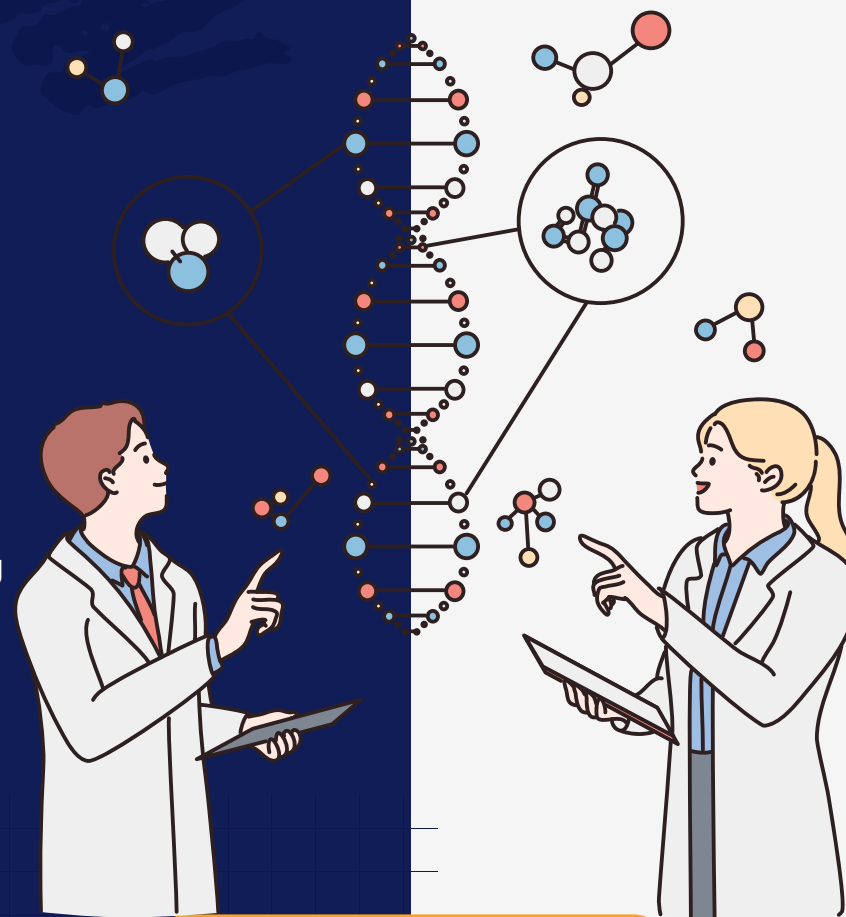

- Expression is as important as understanding
- Documenting explored ideas is intellectual maturity
- Understanding Intellectual Property Rights
- Giving teachers and students rare and precious opportunities

SJIS is not just a publishing platform - It's an elevation platform transforming young learners to thinkers. Teachers into thought Leaders.

SJIS is a peer-reviewed school and college-level research journal

Provides Space for :

- Innovative student essays
- Science- Project Summaries
- Creative Writing (poems, novels, stories)
- Teacher - written Academic Essays, classroom inventions, reflections.

CAMPUS BOOK FAIR (CBF)

OnePage : One Child : One Dream at a Time

CBF is an exhibition-cum-sale Fair @ your premises

With Sarada - CBF is not an event; it's a celebration of curiosity, imagination and exploration of knowledge.

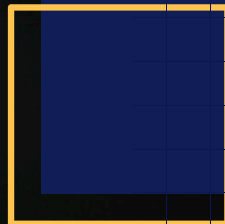

Elevate9 provides a golden opportunity for arranging experiential literary festival with Joy and Curiosity.

Why CBF ?

- We display books of all genres curated for all age groups
- Categorised into subjects / courses
- Chance to meet some progressive authors.
- Pick and Read Treasure Hunt
- Spoken English Books and Simulated tests
- Author Meets
- Story Telling corner
- Purchases at affordable prices

Benefits for Schools

- Academic Culture Boost
- Promotes Independent Study
- Marketing outreach
- USP For school
- Social Media Outreach

FUTURE-READY WORKSHOP (FRW)

Lead. Create. Communicate. The Future Starts Here

WHAT?

FRWs provide

- Life skills
- Innovation and creativity
- Communication and Public Speaking
- Career Awareness & Goal setting
- Leadership and Collaboration

MODULES

- My career Compass
- Speaking to Lead
- Think like an innovator
- Financial Literacy
- Lead the Change

WHY?

- To turn student into fearless Learner
- Making a compassionate leader
- Creating a future-ready global citizen.

BENEFITS TO SCHOOL

- Brand Differentiation
- Student Outcome Boost
- Teacher Integration
- Certificates, Portfolios, Public showcases
- Community Building

Your Gateway to Publishing Dreams

An Idea Can Shape A Mind.
A System Can Shape A Generation
